EDUCATION

Babu Banarasi Das Institute of Technology and Management Lucknow   **10/2020 – 08/2024**
*Bachelor of Technology(IT) - **CGPA - 8***   *Lucknow, India*

EXPERIENCE

Tata Strive   **07/2024 – Present**
Java Full Stack Developer Trainee (Full Time)   *Dwarka, Delhi*
- Engaged in comprehensive learning of Java and Spring Boot for backend development, while acquiring skills in frontend technologies like React.js, HTML, and CSS.
- Currently developing proficiency in building RESTful APIs using Spring Boot, with a focus on creating scalable and high-performance applications.

Code Alpha   **03/2024 – 05/2024**
Java Developer Intern   *Lucknow, India*
- Completed an intensive Java development internship, gaining proficiency in software engineering practices.
- Strengthened programming skills through the application of core Java concepts and object-oriented principles, contributing to successful project delivery.

PROJECTS

My-Portfolio ⧉ | HTML, CSS, JavaScript, VS Code, GitHub   **07/2024**
- Developed a personal portfolio using modern web technologies, featuring a visually appealing and user-friendly interface.
- Optimized for responsive design, ensuring seamless user experience across all device types and screen sizes.

E-Commerce Website ⧉ | Java, Spring boot, Bootstrap, JDBC, JSP, MySQL, GitHub   **05/2024**
- Implemented an admin and user module with full CRUD functionality, allowing easy management of products, orders, and users.
- Designed for scalability and beginner-friendly, with a focus on clean code and structure.

Jobify - React Job Portal App ⧉ | React.js, Node.js, Express.js, MongoDB, JWT, GitHub   **10/2024**
- Built a full-stack job portal with user authentication, job posting, and application tracking functionalities.
- Integrated REST APIs for seamless backend communication and JWT for secure user authentication.
- Enhanced user experience with a responsive design, utilizing modern React.js libraries and components.

Car Rental System ⧉ | React.js, Vercel   **09/2024**
- Created a static web page for a car rental system, showcasing available cars, rental pricing, and booking options.
- Designed an intuitive and responsive user interface using Tailwind CSS, ensuring compatibility across all devices.
- Deployed the project on Vercel for seamless and fast web hosting.

SKILLS SUMMARY

- **Languages:** Java, JavaScript, SQL, HTML, CSS
- **Technologies/Frameworks:** Spring Boot, Hibernate, React.js, Node.js, Tailwind CSS, MySQL, MongoDB, Linux, Git,
- **Developer Tools:** Netlify, Render GitHub, Vercel, VS Code, Spring Tools Suite (STS)

CERTIFICATIONS and ACHIEVEMENTS

- Certified Full Stack Java Developer
- IEEE Member
- Received a fee waiver sheet in B.Tech.
